Deputy Director (Administration)

Legislative Counsel

CIA Appropriations
Weekly Report No. 6

1. On 5 February Mr. Saunders and I talked with George Harvey, Chief Clerk House Appropriations Committee. He informed us that a subcommittee would probably hold a hearing on the CIA appropriation "within two or three weeks" and that we should be prepared by 14 - 15 February.

2. Mr. Harvey thought that the special committee may be chaired by Mr. Mahon rather than Chairman Cannon.

3. The Comptroller and I are working together on the preparation of the necessary material for the Director's appearance.
